**Passport & Visa Requirements**

ABC Travel will require a copy of your passport before any airline tickets will be issued. Passports must have 6 months validity from the date of your return to Australia. If you do not meet this minimum requirement, you will need to apply for a new passport. If you do not hold an Australian passport, you need to ensure your re-entry visa will be current for your return into Australia.

**Published Costs**

All costs listed in the Conference brochure and additional costs listed in your post arrangements are correct at the time of publication. They are all subject to change due to currency fluctuations, tour operator & airline increases, fuel surcharges & changes to government taxes, without notice to the passenger. Tours are based on minimum numbers and if that number is not reached, tours may be cancelled, altered or increased. All increased costs will have to be paid by the passenger prior to documents being issued. Cancellation fees will apply if the passenger wishes to cancel the reservation instead of paying the increased costs.

**Responsibility**

All possible care is taken by ABC Travel to ensure that suppliers maintain a high standard. Accordingly, ABC Travel cannot be responsible in any way for day-to-day problems resulting from the booking or any loss, howsoever arising unless it is the direct result of negligence on ABC Travel 's part. ABC Travel is unable to accept responsibility for any aspects of your journey affected by matters over which it does not have control, including and without limitation, Pandemics, war or threat of war, riots and civil strife, terrorist activity, natural disaster, weather conditions, fire, flood, drought, industrial or government disputes or action or reasonable apprehension of the forgoing, cancellation, curtailment or rescheduling of flights. For context, cancellations occurred due to COVID-19 and where guests were unable to travel due to the travel restrictions in place in this regard, ABC Travel's position is that COVID-19 resulted in a force majeure event. Force majeure events include "epidemics and pandemics" which are events that are beyond the control of ABC Travel or its suppliers.

**Travel Insurance**

Travel insurance is strongly RECOMMENDED. Travel Insurance has not been included in the Conference costs. ABC Travel can assist in arranging appropriate cover for your travel.

**Privacy Statement**

By registering you agree to the distribution of your information to airlines, hotels and other suppliers for the purposes of organising your travel arrangements. ABC Travel will use the details supplied to contact you regarding the Conference.
